Why become a BLF member?

You will join the only platform in Slovakia that connects companies through the topic of CSR.

You will gain a comprehensive understanding of CSR topics, allowing you to get a better overview of CSR activities in your company.

Exclusive access to specialized content will provide you with specific inspiration.

As a BLF member, you will automatically gain access to specialized content created as part of the Diversity Charter and the Companies to the Community working group.

We will provide you advice on CSR topics through individual consulting sessions.
